District 12, Ho Chi Minh City, Vietnam • <https://lehoanganh.duckdns.org>

SUMMARY

Backend Developer with hands-on experience building scalable web applications using Spring Boot, Node.js, and modern cloud technologies. Experienced in designing RESTful APIs, integrating AI services, working with relational and NoSQL databases, and deploying applications using Docker. Seeking an internship opportunity to strengthen software engineering skills and contribute to real-world projects.

SKILLS

Backend: Java, Spring Boot, Node.js, TypeScript, RESTful API, JWT

Frontend & Database: ReactJS, React Native, MariaDB, MongoDB, Redis

Cloud & Messaging: Docker, AWS, Kong, Kafka, Socket.IO

Tools & Soft Skills: Git, Linux, Postman — Problem Solving, Teamwork, Communication

EDUCATION

Industrial University of Ho Chi Minh City

2022 – 2027

Bachelor of Software Engineering

GPA: 3.45 / 4.00

PROJECTS

AI-Powered Event Management System

2025 – 2026

Project URL: <https://fitiuh-events.io.vn>

- Led a 2-member team to develop an event management platform supporting event creation, participant management, QR attendance, notifications, analytics, and AI-assisted planning.
- Designed and developed RESTful APIs using Spring Boot.
- Implemented JWT-based authentication and authorization.
- Integrated Gemini and Ollama for event planning assistance and post-event analysis.
- Developed real-time communication and notification workflows.
- Deployed the system on Ubuntu Server using Docker and Docker Compose.
- Worked with MariaDB, MongoDB, Redis, Kafka, AWS, Cloudflare, and Kong API Gateway.

Zala - Multi-Platform Messaging System

2025 – 2026

Project URL: <https://host-frontend-mu.vercel.app>

- Developed backend APIs for user management, authentication, and messaging features.
- Implemented real-time messaging using Socket.IO.
- Participated in livestream interaction features using LiveKit and WebRTC.
- Collaborated with a 5-member team in development, testing, and bug fixing.
- Contributed to deployment and infrastructure configuration.

CERTIFICATION

SSRC-I 2026 Scientific Research Participant

2026

Google for Education – Gemini Certified University Student

Feb 2026 – Feb 2029

Google AI Professional Certification

Jun 2026
